

Cycleback Bicycle Repair Program

Do you love working with your hands, mechanics and people?

If you are connected to Vancouver's Inner city, and are interested in a career and training in bicycle repairs this program may be for you! It is a 6 week program starting on April 14th, followed by a 2 week work placement.

Details:

Please contact BOB to find out more information and if this program is a good fit for you.

You will need to book an intake ASAP by calling 778-328-7674 or email jobpostings@bobics.org

For more info check our website at www.buildingopportunities.org

BOB is pleased to be partnering with Lookout Emergency Aid Society and Ed Luciano of Mighty Riders to do the intakes for the Cycleback Bicycle Repair Program..
